RN to MSN in Nursing Leadership

Jumpstart your professional career at the University of the Incarnate Word with an accelerated pathway to a MSN. One of the most successful nursing programs in the region offers ADN-prepared nurses the opportunity to achieve BSN competencies while completing their MSN in Nursing Leadership. This flexible program of study allows the registered nurse to apply knowledge and expertise to improve healthcare for clients at the systems level of care.

Unique Features

- Designed for working nurses who desire career advancement and a high quality student-centered graduate education.
- 9 credits of online baccalaureate coursework.
- Bridge to the MSN curriculum.
- 31 credit MSN degree plan can be completed in 24 months. On campus classes held 1st and 3rd week of the month, alternating with online coursework.
- Cross-cultural perspectives on health behavior and values, with an emphasis on existing health disparities.

Application cycle begins every October for a Summer semester start date. Depending on prerequisite requirements, start date may vary between March and June.
